

A Walk with PCB Creation by Chef Jordi

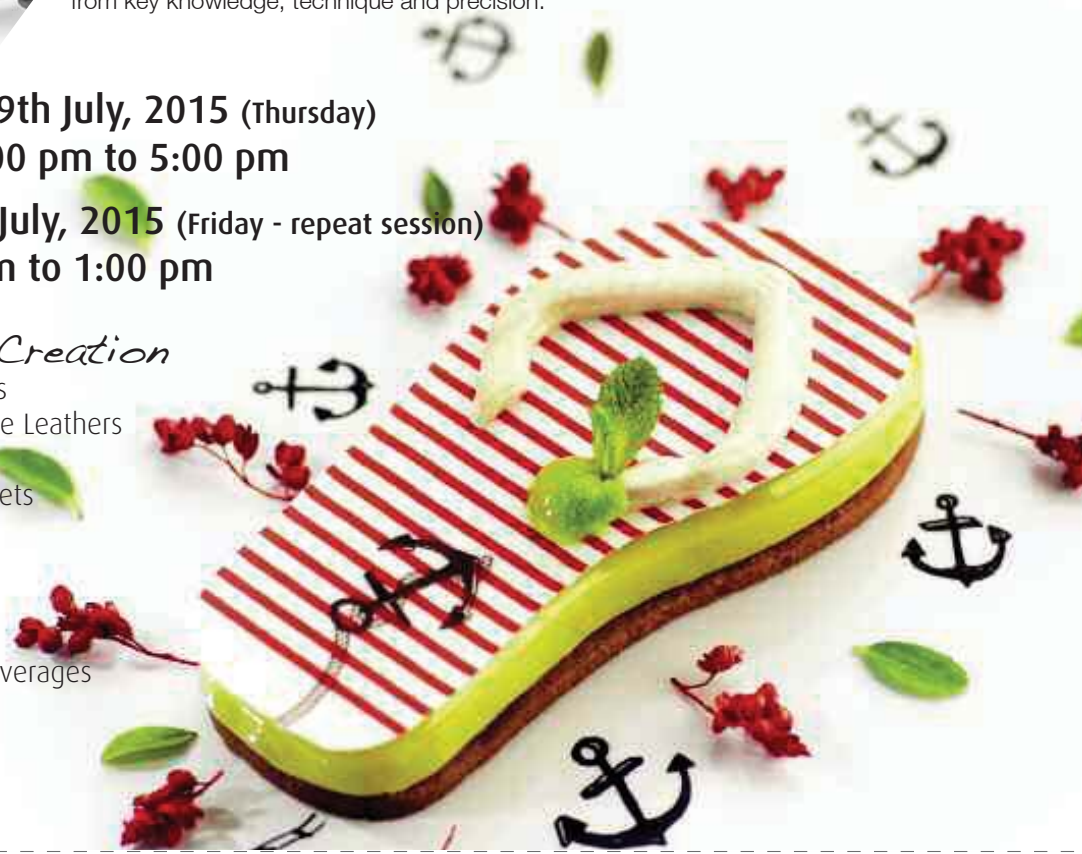

Jordi Bordas is a creative professional with an aspiration to revolutionize the patisserie sector. His entrepreneurship has led him to develop a spectrum of innovative techniques within the sphere of sweet patisserie. He succeeds in extracting the maximum amount of flavour, aroma and texture from each product, whilst employing highly efficient production processes in the professional kitchen.

Creator of B-Concept, the most efficient method for creating recipes from key knowledge, technique and precision.
