

Comfort Blue represents the top-of-the-line segment in piping bags with its special 'soft touch' grip. It uses a unique, patented production process. The unique characteristics of the extremely flexible yet firm-grip multi-layer foil ensure that the professional can continue to achieve clean, precise results even after hours of repetitive actions.

Comfort Green comes with a 'soft touch' grip. This top-of-the-line patented piping bag is flexible yet provides a firm-grip that ensures clean and precise results. The Comfort Green works just as well as the cotton piping bag but is more efficient and hygienic. The undisputed #1.

Comfort Red Hot is specially suited for processing hot and thick fillings. The professional who wishes to work quickly and surely requires a good grip and stable strength. Comfort Red Hot combines these characteristics. Thanks to its distinctive colours that make it stand out amongst One Way's other piping bags.
